

Inspiration Standard. Transformation Guaranteed. BizJet Completion Services.

There is a reason why owners and operators of VIP jets worldwide choose BizJet. As a wholly owned subsidiary of Lufthansa Technik, BizJet provides advanced, customized and inspired completions, technical services, modifications and aircraft refurbishments that are simply unmatched in the industry today.

Our team of highly-skilled artisans work relentlessly throughout every stage of your project - transforming your vision into reality. At BizJet, we don't just attempt to meet our commitments; we achieve or exceed them every day. The result is a final product that knows no compromise - completed with an unparalleled level of integrity and quality.

Airbus Elite/Airbus A320 Family • Boeing 737 Classic/BBJ
